

THIS IS BLINKY.....

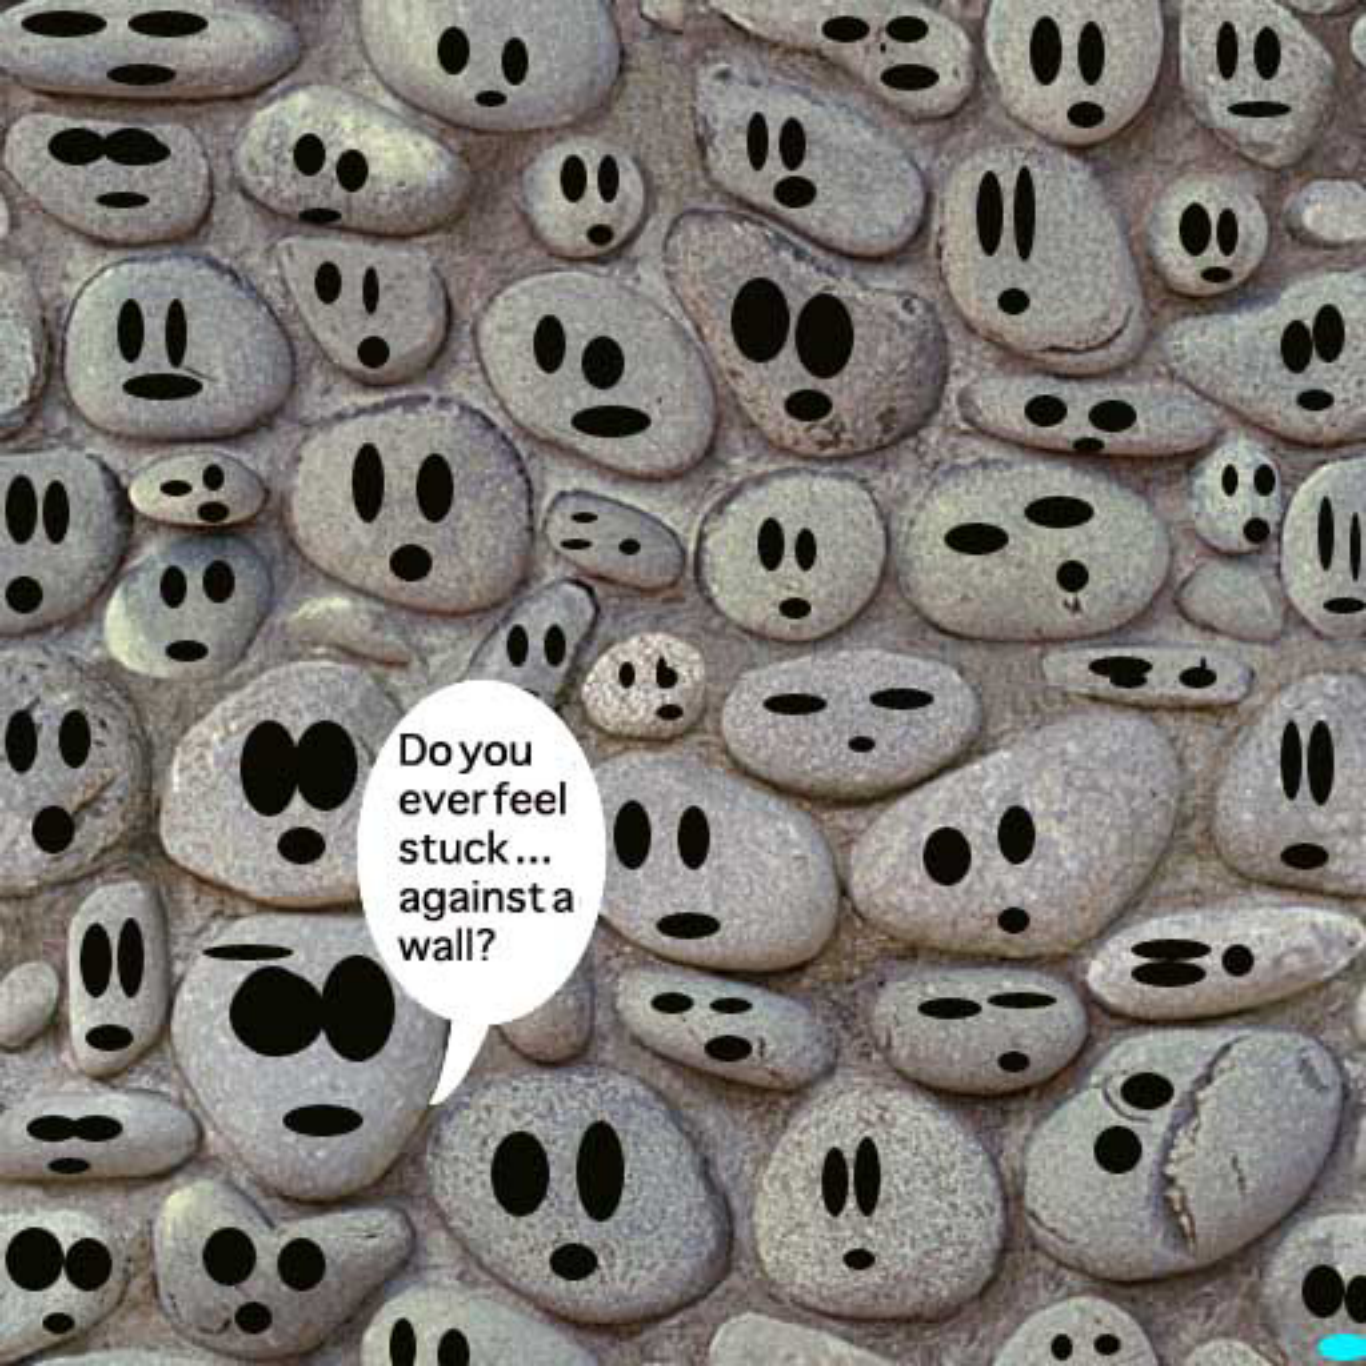

THE IDEA BULB.....

OF THE 20TH CENTURY!!!!

A collection of numerous incandescent light bulbs is shown, each with a simple, sad face drawn on its glass surface. The faces consist of two small black dots for eyes and a downward-curving line for a mouth. The bulbs are scattered across a light-colored, textured background. A bright yellow speech bubble is positioned in the upper left quadrant, containing text.

**Do you ever feel like an old
obsolete idea from the
20th century...
I wonder if we will be
forgotten???**

A close-up photograph of a wall made of smooth, grey, rounded stones. Each stone has a simple black face cutout, consisting of two vertical oval eyes and a small horizontal mouth. The faces are arranged in a somewhat regular pattern, creating a dense field of simple human-like expressions. A white speech bubble is overlaid on the lower-left portion of the image.

Do you
ever feel
stuck...
against a
wall?

A dense field of colorful M&M's candies in various colors including red, yellow, green, blue, purple, orange, and brown. Many of the candies have been replaced with sad face emojis (☹️), creating a visual metaphor for feeling lost or alone in a crowd. A white speech bubble is overlaid on the center of the image.

**Do you ever feel lost
& alone in a crowd???**

DO YOU EVER FEEL LIKE YOU ARE GOING TO CRASH?????

A bald eagle is perched on a thin, light-colored branch in a lush green field. The eagle has a white head and neck, a dark brown body, and a yellow beak. It is looking towards the left of the frame. The background is a dense field of green grass, and there are some dark, bare branches visible on the right side of the image.
